Elton John & Shania Twain

Looks like we made it
Look how far we've come, my baby
We might have took the long way
We knew we'd get there some day

They said, 'I bet they'll never make it'
But just look at us holding on
We're still together, still going strong

Oh, you're still the one I run to
The one that I belong to
You're still the one I want for life
You're still the one that I love
The only one I dream of
You're still the one I kiss good night

Ain't nothing better
We beat the odds together
I'm glad we didn't listen
Look at what we could be missing

They said, 'I bet they'll never make it'
But just look at us holding on
Oh, still together still going strong

You're still the one I run to
The one that I belong to
You're still the one I want for life
You're still the one that I love
The only one I dream of
You're still the one I kiss good night
Still the one
