Hey there, look in the mirror
Are you afraid you might see me looking at you
Waiting, waiting at windows
Oh it's me that you need, yes it's me and I'm waiting for
you

But I remain silent, oh I won't say a word
I leave you to realize, I'm the light in your world

And it's me yes it's me, yes it's me, yes it's me that
you're needing
It's me, yes it's me yes it's me, yes it's me that you
need
Yes it's me, yes it's me, yes it's me if you want to be
living
I'm the one who's forgiving admit that it's me that you
need

Watching, watching the swallows fly
It all means the same, just like them you can fly home
again
But don't, no don't forget yesterday
Pride is an ugly word girl, and you still know my name

But I remain silent, oh I won't say a word
I leave you to realize, I'm the light in your world

And it's me yes it's me, yes it's me, yes it's me that
you're needing
It's me, yes it's me yes it's me, yes it's me that you
need
Yes it's me, yes it's me, yes it's me if you want to be
living
I'm the one who's forgiving admit that it's me that you
need

I'm the one who's forgiving admit that it's me that you
need
Oh I'm the one who's forgiving admit that it's me that
you need
Oh and I'm the one who's forgiving admit that it's me
that you need

Ohh ohh ohh
