Lifestyles of the Rich and Famous
Always see it on T.V.
Read it in the magazines
Celebrities who want sympathy
all they do is piss and moan
inside the Rolling Stone
talking about how hard life can be

I'd like to see them spend the week
living life out on the street
I don't think they would survive
if they could spend a day or two
walking in someone else's shoes
I think they'd stumble and they'd fall
(fall-all-all-all)

Lifestyles of the rich and the famous
they're always complainin
always complainin
if money is such a problem
well they got mansions
think we should rob them

well did you know when you were famous you could kill
your wife
and there's no such thing as 25 to life
as long as you've got the cash, to pay for Cochran
and did you know if you were caught and you were
smoking crack
McDonalds wouldn't even want to take it back
you could always just run for mayor, of D.C.

I'd like to see them spend a week
living life out on the street
I don't think they would survive
if they could spend a day or two
walking in someone else's shoes.
I think they'd stumble and they'd fall
they would fall

lifestyles of the rich and the famous

they're always complainin
always complainin
if money is such a problem
well they got mansions
think we should rob them

lifestyles of the rich and the famous
they're always complainin
always complainin
if money is such a problem
you got so many problems
think I could solve them

lifestyles of the rich and famous
we'll take your clothes, cash cards, and homes just
stop complainin
