You are my weakness  
You are my friend  
Nothing I have in the world  
Makes better sense  
'Cause I'm the fish and you're the sea

When we're together  
Or when we're apart  
There's never a space in between  
The beat of our hearts  
'Cause I'm the apple and you're the tree

One day at a time  
Is all we do  
One day at a time  
Is good for you, you, you, ooh

You are my woman  
I am your man  
Nothing else matters at all  
Now I understand  
That I'm the door and you're the key

And every morning  
I wake in your smile  
Feeling your breath on my face  
And the love in your eyes  
'Cause you're the honey and I'm the bee

One day at a time  
Is all we do  
One day at a time  
Is good for us too, you too, you, ooh

One day at a time  
Is all we do  
One day at a time  
Is good for you, you, you, ooh
