What's your name? My name is Pain
Where do you live? I live anyplace
Where were you born? In the state of fear
How old are you? Nineteen hundred and ninety four
years
What's your plan? My plan is pain
When will you leave? I'll never go away
How will you breathe? Oh, you give me life
How will you see? Sitting in the temple right between
your eyes

My name is Pain and you belong to me
You're all I ever wanted, I'm all you'll ever be
From the beginning in the world without end
I am the air, I am Pain

Pain is love, pain is pure
Pain is sickness, pain is the cure
Pain is death, pain is religion
Pain is life, pain is television
Pain walks, pain crawls
Pain is peace, pain is war
Where were you born? In the state of fear
How old are you? Nineteen hundred and ninety four
years

My name is Pain and you belong to me
You're all I ever wanted, I'm all you'll ever be
From the beginning in the world without end
I am the air, I am Pain
P A I N, Pain

My name is Pain and you belong to me
You're all I ever wanted, I'm all you'll ever be
From the beginning in the world without end
I am the air, I am Pain
From the beginning in the world without end
I am the air, I am Pain

I am Pain
You're all I ever wanted, I'm Pain
You're all I ever wanted, I'm Pain

You're all I ever wanted, I'm Pain
