When you're feeling down and your resistance is low
Light another cigarette and let yourself go
This is your bloody life
Don't play hard to get
It's a free world
All you have to do is fall in love
Play the game
Everybody play the game of love, yeah

My game of love has just begun
Love runs from my head down to my toes
My love is pumping through my veins
Driving me insane
Play the game, play the game
Play the game, play the game

Oh yeah

Play the game
Everybody play the game of love
Ooh, this is your life
Don't play hard to get
It's a free, free world
All you have to do is fall in love
Play the game
Everybody play the game

Play it the way you like, hey
Play the game

Play the game
Everybody play the game of love
Of love
