"Play The Game"

When you're feeling down and your resistance is low
Light another cigarette and let yourself go
This is your life
Don't play hard to get
It's a free world
All you have to do is fall in love
Play the game, everybody play the game of love
My game of love has just begun
Love runs from head down to mt toes
My love is pumping through my veins
Driving me insane
Come come come play the game
This is your life - don;t play hard to get
It's a free world all you have to do is fall in love
Play the game
