Haven't you heard what's new?  
There is a rumor  
Going around that suddenly I've found you

Better believe it's true  
I got a feeling  
This is for real and nobody else will do

You are my princess  
You make me smile  
You make my life seem worthwhile

You are my princess  
You are the one  
You make the sun shine on me

You're one fine lady  
You're my princess  
You're my princess

Haven't you heard them say?  
I was a prisoner  
Buried alive now suddenly I've been freed

But love is the sweetest way  
Oh, I was lonely  
And now you're the only lover that I'll ever need

You are my princess  
You make me smile  
You make my life seem worthwhile

You are my princess  
The only one  
You make the sun shine on me

You're one fine lady  
You're my princess  
You're my princess

You're my princess  
You're my princess

You are my princess  
You make me smile  
You make my life seem worthwhile

You are my princess  
The only one  
You make the sun shine on me

You're one fine lady  
You're my princess  
You're my princess

You're my princess  
You're my princess
