I'd sit alone and watch your light
My only dream through teenage nights
And everything I had to know
I heard it on my radio
(Radio)

You gave us all your old time stars
Through wars of worlds invaded by Mars
You made 'em laugh, you made 'em cry
You made us feel like we could fly
(Radio)

So don't become some background noise
A backdrop for the girls and boys
Who just don't know and just don't care
And just complain when you're not there
You had your time, you had the power
You've yet to have your finest hour
Radio (radio)

Let's see you
All we hear is radio ga ga
Radio goo goo, radio ga ga
All we hear is radio ga ga
Radio blah blah
Radio what's knew?
Radio, someone still loves you

We watch the shows, we watch the stars
On videos for hours and hours
We hardly need to use our ears
Our music changes through the years
(Radio)

Let's hope you'll never leave old friend
Like all good things on you we depend
So stick around 'cos we might miss you
When we grow tired of all this visual
You've had your time, you've had the power
You've yet to have your finest hour
Radio (radio)

All we hear is radio ga ga
Radio goo goo, radio ga ga
All we hear is radio ga ga
Radio goo goo, radio ga ga
All we hear is radio ga ga
Radio blah blah
Radio what's knew?
Radio, someone still loves you

Radio ga ga
Radio ga ga
Radio ga ga
(Radio)

You've had your time, you've had the power
You've yet to have your finest hour
Radio (radio)

All we hear is radio ga ga
Radio goo goo, radio ga ga
All we hear is radio ga ga
Radio blah blah
Radio what's knew?
Radio, someone still... loves you!
