If anyone should see me making it down the highway
Breaking all the laws of the land
Well, don't you try to stop me, I'm going her way
And that's the way I'm sure she had it planned

Well that's my rock and roll Madonna
She's always been a lady of the road
Well, everybody wants her, but no one ever gets her
Well, the freeway is the only way she knows

Well if she would only slow down for a short time
I'd get to know her just before she leaves
But she's got some fascination for that two-wheel
combination
And I swear it's going to be the death of me

Well that's my rock and roll Madonna
She's always been a lady of the road
Well, everybody wants her, but no one ever gets her
Well, the freeway is the only way she knows

Rock on, baby!
Yeah!

Well that's my rock and roll Madonna
She's always been a lady of the road
Well, everybody wants her, but no one ever gets her
Well, the freeway is the only way she knows

Let's get a little bit lower
Let's get a little bit lower
Oh, you're starting alright
Sing it baby, yeah, that's pretty good

Now is everybody gonna rock on with me?
One more time

I said that's my rock and roll Madonna
She's always been a lady of the road
Well, everybody wants her, but no one ever gets her
Well, the freeway is the only way she knows
