She packed my bags last night pre-flight
Zero hour nine a.m.
And IÃ¢â€Œ™ m gonna be high as a kite by then
I miss the earth so much I miss my wife
ItÃ¢â€Œ™ s lonely out in space on such a timeless flight

And I think itÃ¢â€Œ™ s gonna be a long long time
Till touch down brings me round again to find
IÃ¢â€Œ™ m not the man they think I am at home
Oh no, no, no IÃ¢â€Œ™ m a rocket man
Rocket man burning out his fuse up here alone

Mars ainÃ¢â€Œ™ t the kind of place to raise your kids
In fact itÃ¢â€Œ™ s cold as hell
And thereÃ¢â€Œ™ s no one there to raise them if you
did
And all this science I donÃ¢â€Œ™ t understand
ItÃ¢â€Œ™ s just my job five days a week
A rocket man, a rocket man

And I think itÃ¢â€Œ™ s gonna be a long long time
And I think itÃ¢â€Œ™ s gonna be a long long time
Till touch down brings me round again to find
IÃ¢â€Œ™ m not the man they think I am at home
Oh no, no, no IÃ¢â€Œ™ m a rocket man
Rocket man burning out his fuse up here alone

And I think itÃ¢â€Œ™ s gonna be a long long time
Till touch down brings me round again to find
IÃ¢â€Œ™ m not the man they think I am at home
Oh no, no, no IÃ¢â€Œ™ m a rocket man
Rocket man burning out his fuse up here alone

And I think itÃ¢â€Œ™ s gonna be a long long time
And I think itÃ¢â€Œ™ s gonna be a long long time
And I think itÃ¢â€Œ™ s gonna be a long long time
And I think itÃ¢â€Œ™ s gonna be a long long time
And I think itÃ¢â€Œ™ s gonna be a long long time
