There's a hungry road I can only hope it's  
Gonna eat me up inside  
There's a drifting spirit coming clean  
In the eye of a lifelong fire

Till Monday I'll be around next week  
I'm running ahead of my days  
In the shotgun chance that scattered us  
I've seen the error of my ways, oh oh

Well we've wrapped ourselves in golden crowns  
Like sun Gods spitting rain  
Found a way home written on this map  
Like red dye in my veins

In the hardest times that come around  
The fear of losing grows  
I've lost and seen the world shut down  
It's a darkness no one knows, oh oh

And I've poured out the pleasure and dealt with the  
pain  
Standing in a station waiting in the rain  
I'm starting to feel a little muscle again  
Love is lost like a runaway train

Oh I'm out of control and out of my hands  
I'm tearing like a demon through no man's land  
I'm trying to get a grip on my life again  
Nothing hits harder than a runaway train

Oh  
And I've poured out the pleasure and dealt with the  
pain  
Standing in a station waiting in the rain  
I'm starting to feel a little muscle again  
Love is lost like a runaway train

Oh I'm out of control and out of my hands  
I'm tearing like a demon through no man's land  
I'm trying to get a grip on my life again  
Nothing hits harder than a runaway train

And I've poured out the pleasure and dealt with the  
pain  
Standing in a station waiting in the rain  
I'm starting to feel a little muscle again  
Love is lost like a runaway train, yea
