I used to know this old scarecrow  
My joy and sorrow  
Cast alone between the furrows  
No longer sown by anyone

Sad, so sad  
Sad, so sad

Beneath these branches  
I once wrote such childish words for you  
I held a dandelion  
When summer burned the earth again

Sad, so sad  
Sad, so sad  
Sad, so sad  
Sad, so sad

No longer sown by anyone

Sad, so sad  
Sad, so sad  
Sad, so sad  
Sad, so sad  
Sad, so sad  
Sad, so sad  
Sad
