Guess there are times
When we all need to share a little pain
And ironing out the rough spots
Is the hardest part when memories remain

And it's times like these
When we all need to hear the radio
'Cause from the lips of some old singer
We can share the troubles we already know

Turn them on, turn them on
Turn on those sad songs
When all hope is gone
Why don't you tune in and turn them on

They reach into your room
Just feel their gentle touch
When all hope is gone
Sad songs say so much

If someone else is suffering enough
To write it down
When every single word makes sense
Then it's easier to have those songs around

Kick inside is in the line
That finally gets to you
And it feels so good to hurt so bad
And suffer just enough to sing the blues

So turn them on, turn them on
Turn on those sad songs
When all hope is gone
Why don't you tune in and turn them on

They reach into your room
Just feel their gentle touch
When all hope is gone
You know sad songs say so much

Sad songs, they say
Sad songs, they say

Sad songs, they say
Sad songs, they say so much

So turn them on, turn them on
Turn on those sad songs
When all hope is gone
Why don't you tune in and turn them on

They reach into your room
Just feel their gentle touch
When all hope is gone
You know sad songs say so much

When all hope is gone
You know sad songs say so much
When all the little bit of hope is gone
Sad songs say so much

When all the little bit of hope is gone
Sad songs say so much
When all hope is gone
Sad songs say
