Guess there are times  
When we all need to share a little pain  
And ironing out the rough spots  
Is the hardest part when memories remain

And it's times like these  
When we all need to hear the radio  
'Cause from the lips of some old singer  
We can share the troubles we already know

Turn them on, turn them on  
Turn on those sad songs  
When all hope is gone  
Why don't you tune in and turn them on

They reach into your room  
Just feel their gentle touch  
When all hope is gone  
Sad songs say so much

If someone else is suffering enough  
To write it down  
When every single word makes sense  
Then it's easier to have those songs around

Kick inside is in the line  
That finally gets to you  
And it feels so good to hurt so bad  
And suffer just enough to sing the blues

So turn them on, turn them on  
Turn on those sad songs  
When all hope is gone  
Why don't you tune in and turn them on

They reach into your room  
Just feel their gentle touch  
When all hope is gone  
You know sad songs say so much

Sad songs, they say  
Sad songs, they say

Sad songs, they say  
Sad songs, they say so much

So turn them on, turn them on  
Turn on those sad songs  
When all hope is gone  
Why don't you tune in and turn them on

They reach into your room  
Just feel their gentle touch  
When all hope is gone  
You know sad songs say so much

When all hope is gone  
You know sad songs say so much  
When all the little bit of hope is gone  
Sad songs say so much

When all the little bit of hope is gone  
Sad songs say so much  
When all hope is gone  
Sad songs say
