There was a time I was everything and nothing all in
one
When you found me I was feeling like a cloud across
the sun
I need to tell you how you light up every second of the
day
But in the moonlight you just shine like a beacon on the
bay

And I can't explain but it's something about the way you
look tonight
Takes my breath away it's that feeling I get about you,
deep inside
And I can't describe but it's something about the way
you look tonight
Takes my breath away the way you look tonight

With you smile, you pull the deepest secrets from my
heart
In all honesty I'm speechless and I don't know where to
start

And I can't explain but it's something about the way you
look tonight
Takes my breath away it's that feeling I get about you,
deep inside
And I can't describe but it's something about the way
you look tonight
Takes my breath away the way you look tonight

And I can't explain but it's something about the way you
look tonight
Oh takes my breath away it's that feeling I get about
you, deep inside
And I can't describe but it's something about the way
you look tonight
Takes my breath away the way you look tonight

The way you look tonight
The way you look tonight
The way you look tonight
