I don't want to worry you none, but I got the hurt on the
run

I just cut out the poison that was in me so long
Watching you tear out my heart, only gave me the last
laugh

Watching you tear out your hair, is gonna be the best
part

Oh, I've been shaken down by a spiteful child
I've slapped a worried frown on that evil smile
I've been taken down by a spiteful child
I've turned the tables round and it drives you wild

Oh, you spiteful child

You'd better be ready to run, now I've got you under
the gun

I put my money on vengeance, before this race had
begun

Breaking the spirit in me, only added to your conceit
Playing you at your own game, is going to make it
complete

Oh, I've been shaken down by a spiteful child
Turn the tables round and it drives you wild

Oh, you spiteful child

I don't want to worry you none, but I got the hurt on the
run

I just cut out the poison that was in me so long
Watching you tear out my heart, only gave me the last
laugh

Watching you tear out your hair, is gonna be the best
part

Oh, I've been shaken down by a spiteful child
I've slapped a worried frown on that evil smile
I've been taken down by a spiteful child
I've turned the tables round and it drives you wild

Oh, you spiteful child

Spiteful
Spiteful
Spiteful

Spiteful
Spiteful
Spiteful

Saying your spiteful
Beautiful spiteful
Spiteful
