This is called spread your wings

Sammy was low  
Just watching the show  
Over and over again  
He knew it was time  
He'd made up his mind  
To leave his dead life behind  
His boss said to him  
"Boy you'd better begin,  
To get those crazy notions right out of your head  
Sammy who do you think that you are?  
You should've been sweeping up the Emerald bar"

Spread your wings and fly away - sing it  
Fly away, far away  
Spread your little wings and fly away  
Fly away, far away  
Pull yourself together  
'Cos you know you should do better  
That's because you're a free man

He spends his evenings alone in his hotel room  
Keeping his thoughts to himself, he'd be leaving soon  
Wishing he was miles and miles and miles away  
Nothing in this world, nothing could make him stay

Since he was small  
He had no luck at all  
Nothing came easy to him  
Now it was time  
He'd made up his mind  
"This could be my last chance"  
His boss said to him,  
"Now listen boy!  
You're always dreaming  
You've got no real ambition, you won't get very far  
Sammy who, who do you think you are?  
You should've been sweeping up the Emerald bar?"

So honey

- Spread your wings (c'mon) and fly away - that's good  
- Fly away  
Far away  
- Far away  
Oh, spread your little wings and fly away, hey  
- Fly away, far away  
Oh pull yourself together  
'Cos you know you know you know you know  
You know you should do better  
That's because you're a free man

So c'mon honey

You feeling alright?  
Hey hey  
Eh eh
