Sometimes it's hard to be a woman  
Giving all your love to just one man  
Oh, you have bad times and you have good times  
Doing things that you don't understand

Hey, but if you love him, you'll forgive him  
Even though he's hard to understand  
And if you love him, be proud of him  
'Cause after all, he's just a man

Stand by your man  
Give him two arms to cling to  
And someone warm to come to  
When nights are cold and lonely

Stand by your man  
And show the world you love him  
Keep giving all the love you can  
Stand by your man
