Help me, information
Get emotion on the line
This war that's ragin' in
My heart's getting harder, all the time
Feel it, smiles the cracking
Worried friends just frown
We got a runaway train on an empty track
That's tryin' to run us down

And I'm a stone's throw from hurtin'
Everything we put together
Knee deep, I'm learnin' about burnin' this bridge
forever
I'm a stone's throw, a stone's throw
A stone's throw from hurtin'
And I know, never gonna get no better

Crippled conversation hangs inside this house
Our voices just get ugly
When our love get all talked out
Your goodnight kiss ain't hungry
Our touches don't connect
We're just a couple of kids with a broken toy
That our idle fingers wrecked

And I'm a stone's throw from hurtin'
Everything we put together
Knee deep, I'm learnin' about burnin' this bridge
forever
I'm a stone's throw, a stone's throw
A stone's throw from hurtin'
And I know, I'm never gonna get no better

Some things get broken
When stones get thrown
Some things get better
When you leave what you love
And you let what you love that alone, 'lone, 'lone

Some things get broken
When stones get thrown
Some things get better

When you leave what you love
And let what you love alone, 'lone, 'lone

And I'm a stone's throw from hurtin'
Everything we put together
Knee deep in learnin' about burnin' this bridge forever
I'm a stone's throw, a stone's throw
Stone's throw from hurtin'
And I know, I'm never gonna get no better

Stone's throw from hurtin'
(Help)
Stone's throw from hurtin'
Stone's throw from hurtin'
(Help)
Stone's throw from hurtin'
