I got frostbitten in the winter  
Ice skating on the river  
With my pretty little black-eyed girl  
She'd make your darn toes curl just to see her

I got a fringe front on my buggy  
I got a frisky little colt in a hurry  
And a pretty little black-eyed Suzie  
By, by, by my side

Well she sure knows how to use me  
Pretty little black-eyed Suzie  
Playing hooky with my heart all the time

Living with her funky family  
In a derelict old alley  
Down by the river where we share  
A little lovin' in the moonshine

I'm an old hayseed harp player  
I'm the hit of the county fair  
With my pretty little black-eyed girl  
Living proof as she swirls, she's a dancer

I got a fringe front on my buggy  
I got a frisky little colt in a hurry  
And a pretty little black-eyed Suzie  
By, by, by my side

Well she sure knows how to use me  
Pretty little black-eyed Suzie  
Playing hooky with my heart all the time

Living with her funky family  
In a derelict old alley  
Down by the river where we share  
A little lovin' in the moonshine

Well she sure knows how to use me  
Pretty little black-eyed Suzie  
Playing hooky with my heart all the time

Living with her funky family  
In a derelict old alley  
Down by the river where we share  
A little lovin' in the moonshine

Well she sure knows how to use me  
Pretty little black-eyed Suzie  
Playing hooky with my heart all the time

Living with her funky family  
In a derelict old alley  
Down by the river where we share  
A little lovin' in the moonshine
