Gaileo:

It's hard for me to say the things
I want to say sometimes
There's no one here but you and me
And that broken old street light
Lock the doors
leave the world outside
All I've got to give to you
Are these five words tonight

Thank you for loving me
For being my eyes
When I couldn't see
For parting my lips
When I couldn't breathe
Thank you for loving me
Thank you for loving me

I never knew I had a dream
Until that dream was you
When I look into your eyes
The sky's a different blue
Cross my heart
I wear no disguise
If I tried, you'd make believe
that you believed my lies

Thank you for loving me
For being my eyes
When I couldn't see
For parting my lips
When I couldn't breathe
Thank you for loving me

You pick me up when I fall down
You ring the bell before they count me out
If I was drowning you would part the sea
And risk your life to rescue me

yeah yeah yeah yeah yeah yeah yeah!....

Children Chorus:
Thank you for loving me
For being my eyes
When I couldn't fly...
