Peering out of tiny eyes  
The grubby hands that gripped the rail  
Wiped the window clean of frost  
As the morning air laid on the latch

A whistle awakened someone there  
Next door to the nursery just down the hall  
A strange new sound you never heard before  
A strange new sound that makes boys explore

Tread neat so small those little feet  
Amid the morning his small heart beats  
So much excitement yesterday  
That must be rewarded must be displayed

Large hands lift him through the air  
Excited eyes contain him there  
The eyes of those he loves and knows

But what's this extra bed just here

His puzzled head tipped to one side  
Amazement swims in those bright green eyes  
Glancing down upon this thing  
That make strange sounds, strange sounds that sing

In those silent happy seconds  
That surround the sound of this event  
A parent smile is made in moments  
They have made for you a friend

And all you ever learned from them  
Until you grew much older  
Did not compare with when they said  
This is your brand new brother  
This is your brand new brother  
This is your brand new brother
