Bring out the charge of the love brigade
There is spring in the air once again
Drink to the sound of the song parade
There is music and love everywhere
(Give a little love) Give a little love to me
(I want to take a little love) Take a little love from me
I want to share it with you
Feel like a millionaire

Once we were mad, we were happy
We spent all our days holding hands together
Do you remember, my love
How we danced and played
In the rain we laid
Wishing that we could stay there
Forever and ever

Now I am sad
You are so far away
I sit counting the hours day by day
Come back to me, how I long for your love
Come back to me, be happy like we used to be

Come back, come back to me
Come back, come back to me
Ahhhhh, oooh

Oooh, come back to me, oh, my love
How I long for your love - won't you come back to me

My fine friend - take me with you and love me forever
My fine friend
Forever - forever

Bring out the charge of the love brigade (bring out the love)
There is spring in the air once again (there is spring in the air)
Drink to the sound of the song parade (drink to the sound)
There is music and love everywhere (of the song

parade)

Give a little love to me (I want to)
Take a little love from me
I want to share it with you
Come back, come back to me
Make me feel

Make me feel
Like a millionaire
