Look out new world here we come  
Brave, intrepid and then some  
Pioneers of maximum  
Audacity whose resumes  
Show that we are just the team  
To live where others merely dream  
Building up a head of steam  
On the trail we blaze

Changing legend into fact  
We shall ride into history  
Turning myth into truth  
We shall surely gaze  
On the sweet unfolding  
Of an antique mystery  
All will be revealed  
On the trail we blaze

Paradise is close at hand  
Shangri-la the promised land  
Seventh heaven on demand  
Quite unusual nowadays  
Virgin vistas, undefiled

Minds and bodies running wild  
In the man behold the child  
On the trail we blaze

The trail we blaze  
Is a road uncharted  
Through terra incognita to a golden shrine  
No place for the traveler  
To be faint-hearted  
We are part of the sumptuous grand design

Changing legend into fact  
We shall ride into history  
Turning myth into truth  
We shall surely gaze on the sweet unfolding  
Of an antique mystery  
All will be revealed  
On the trail we blaze

On the trail we blaze
