George: No Hoover, and no curlers

Lisa: Ooh, ooh-ooh

George: Sometimes I get to feeling

George: I was back in the old days, long ago

George: When we were kids, when we were young

George: Things seemed so perfect, you know

George: The days were endless, we were crazy, we were young

George: The sun was always shining, we just lived for fun

George: Sometimes I feel like lately, I just don't know

George: The rest of my life seems just a show

Both: 'Cos those were the days of our lives

Both: The bad things in life were so few

Both: Those days are all gone now but one thing is true

George: When I look, and I find, I still love you

Lisa: You can't turn back the clock, you can't turn back the time

Lisa: Ain't that a shame? (George: Ain't that a shame?)

Lisa: I'd like to go back one time on a rollercoaster ride

Lisa: When life was just a game

Lisa: No use in sitting and a thinking on what you did

Lisa: When you can lay back and enjoy it through your kids

Lisa: Sometimes it seems like lately I just don't know

Lisa: Better sit back and go with the flow

Both: 'Cos these are the days of our lives

Both: They've flown in the swiftness of time

Both: Those days are all gone now but some things remain

Lisa: When I look, I find no change

Both: 'Cos those were the days of our lives

Both: The bad things in life were so few

Both: Those days are all gone now but

Both: One thing's still true

Lisa: When I look

George: And I find

Lisa: I still love you

George: I still love you

Lisa: I love you

George: I still love you

Lisa: Love you (George: I still love you)

Lisa: I still love you

George: I still love you

Lisa: Oooh, yeah
