Wise men say
"It looks like rain today"
It crackled on the speakers
And trickled down the sleepy subway trains

For heavy eyes could hardly hold us
Aching legs that often told us
It's all worth it
We all fall in love sometimes

Full moon's bright
The starlight filled the evening
We wrote it and I played it
Something happened, it's so strange this feeling

Naive notions that were childish
Simple tunes that tried to hide it
But when it comes
We all fall in love sometimes

Did we, didn't we, should we, couldn't we?
I'm not sure 'cause sometimes we're so blind
Struggling through the day, when even your best friend
says
"Don't you find we all fall in love sometimes?"

And only passing time could kill
The boredom we acquired
Running with the losers for a while
But our empty sky was filled with laughter
Just before the flood
Painting worried faces with a smile

Wise men say
"Looks like rain today"
It crackled on the speakers
And trickled down the sleepy subway trains

Heavy eyes could hardly hold us
Aching legs that often told us
It's all worth it
We all fall in love sometimes

We all fall in love sometimes
