I've paid my dues
Time after time
I've done my sentence
But committed no crime
And bad mistakes, huh
I've made a few
I've had my share of sand
Kicked in my face
But I've come through
And I need to go on and on and on and on

We are the champions, my friends
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cos we are the champions, oh
Of the world

(We are the champions, my friends) we are the
champions
(And we'll keep on fighting till the end) just keep on
fighting
(We are the champions) we are the champions
(We are the champions) oh, we are the champions
No time for losers
'Cos we are the champions

(We are the champions, my friends) oh, we are the
champions
And we'll keep on fighting till the end
We are the champions
We are the champions
No time for losers
'Cos we are the champions

(We are the champions, my friends) thank you
everybody, oh we are the champions
(And we'll keep on fighting till the end) keep on fighting
We are the champions
We are the champions

No time for losers
'Cos we are the champions
Liza: Thanks Freddie, we just wanted to let you know
we were thinking about you. Stay safe.
Of the world, yeah, yeah, yeah, yeah, yeah, yeah,
yeah, yeah
