Buddy you're a boy make a big noise
Playing in the street gonna be a big man some day
You got mud on your face
You big disgrace
Kicking your can all over the place
Singing

We will, we will, rock you, sing it
Audience: We will, we will, rock you

Buddy you're a young man, hard man
Shouting in the street gonna take on the world some
day
You got blood on your face
You big disgrace
Waving your banner all over the place
Singing

We will, we will, rock you, come on
Audience: We will, we will, rock you

Buddy you're an old man, poor man
Pleading with your eyes gonna make you some peace
some day
You got mud on your face
You big disgrace
Somebody better put you back into your place

Audience: We will, we will, rock you
Alright
Audience: We will, we will, rock you
We will, we will, rock you, alright
Audience: We will, we will, rock you
