There's no time for us  
There's no place for us  
What is this thing that builds our dreams yet slips away  
from us

Who wants to live forever  
Who wants to live forever, no-one

There's no chance for us  
It's all decided for us  
This world has only one sweet moment set aside for us

Who wants to live forever  
Who wants to live forever, no-one  
(Who wants to live forever)  
(Who wants to live forever)  
Ooh, oh-oh-oooh, when love must die

But touch my tears with your lips  
Touch my world with your fingertips  
And we can have forever  
And we can love forever  
Forever is ours today

Who wants to live forever  
Who wants to live forever  
Forever is ours today  
We only need a chance  
To live

Who wants to live forever
