Come over here baby there's a whole lot of shakin'  
goin' on  
I said come on over baby you know you can't go wrong,  
alright  
I ain't fakin', well there's a whole lot of shakin' goin' on

I said come on over baby we got chicken in the barn  
Come on over baby, Babe I got the bull by the horns,  
alright  
I ain't fakin', there's a whole lot of shakin' goin' on,  
alright

I said shake, baby, shake  
I said shake, baby, shake  
I said shake, baby, shake  
I said shake, baby, shake  
Come on over, whole lot of shakin' goin' on

I said come on over baby we got chicken in the barn  
Whose barn, their barn, my barn  
Come on over baby, Babe I got the bull by the horns  
I ain't fakin', there's a whole lot of shakin' goin' on

Easy now...  
I said shake, baby, shake  
I said shake, baby, shake  
Oh Lord Lord, you can shake it one time for me, that's  
alright  
I said come on baby, there's a whole lot of shakin' goin'  
on

Let's get real low now...  
I said shake, baby, shake  
I said shake, baby, shake  
All you gotta do is stand in one spot  
And move it around just a little bit  
Ooh come on baby, there's a whole lot of shakin' goin'  
on  
Oh let's do it one time

I said shake, baby, shake  
I said shake, baby, shake

Shake, baby, shake  
Shake, baby, shake  
Come on over, there's a whole lot of shakin' goin' on
