It's so strange he doesn't show me more affection than
he needs

Almost formal, too respectful, never takes romantic
leads

There are times when I imagine I'm not always on his
mind

He's not thinking what I'm thinking, always half a step
behind

Always half a step behind

O ho

O ho

O ho

I'm in every kind of trouble, can't you tell, just look at
me

Half ecstatic, half dejected, all in all I'm all at sea

Easy terms I thought I wanted, fill me now with chilling
dread

You can never know the chaos, of a life turned on it's
head

Of a life turned on it's head

O ho

O ho

O ho

O ho

I am certain that I love him, but a love can be misplaced
Have I compromised my people in my passion and my
haste

I could be his life companion anywhere but where we
are

Am I leader? Am I traitor? Did I take a step too far?

Did I take a step too far?

It's so strange he doesn't show me more affection than
he needs

Almost formal, too respectful, never takes romantic
leads

There are times when I imagine I'm not always on his
mind

He's not thinking what I'm thinking, always half a step
behind
Always half a step behind

I'm in every kind of trouble, can't you tell, just look at

Half ecstatic, half dejected, all in all I'm all at sea
Easy terms I thought I wanted, fill me now with chilling

Of a life turned on it's head

I am certain that I love him, but a love can be misplaced
Have I compromised my people in my passion and my

Did I take a step too far?

O ho
O ho
O ho
O ho

O ho
O ho
O ho

Did I take a step too far?
