

Elusive "Tomorrow Gone"

Visit "[Tomorrow Gone](#)" on MotoLyrics.com

You make the world come all upside down
Call on my heart in this long lost town
You show me the ways tonight

You wear the moon and the secrets of life
We dance on the wind and fall through the skies
I'm all yours tonight

Tomorrow gone
Tomorrow gone
Here comes the night all so insane
Into the night she takes me away
I'm on a dream with you
I'm on a dream with you
I'm on a dream

Frozen statues in the garden of stone
Times past and times to come
I breathe for the moment right now

So lost in your eyes and the fire is strong
I reach for your heart, been waiting so long
And I leave the day behind

Tomorrow gone
Tomorrow gone
Here comes the night all so insane

Into the night she takes me away
I'm on a dream with you
I'm on a dream with you
Tomorrow gone

Tomorrow gone
Tomorrow gone
Here comes the night all so insane
Into the night she takes me away
I'm on a dream (here comes the night) with you (all so insane)
I'm on a dream (into the night she takes me away) with you
I'm on a dream with you

I'm on a dream with you
I'm on a dream
Here comes the night all so insane
Into the night she takes me away
I'm on a dream (here comes the night) with you (all so
insane)
I'm on a dream (into the night she takes me away) with
you
I'm on a dream with you
I'm on a dream with you
Tomorrow gone
