Whoa

(I wonder)
What it's like to attack at night
Mow down the defenseless
Invasions and raids just called
F*cking punitive expeditions, oh

(Whoa)

Like a wildfire devastation spreads
Across the Gallia
From Helvetia to Eburonia
The ravener's insatiate

(Havoc)
To think of yesterday
(Ruin)
A mass illusion
How could it come this far?

Narbonensis was not enough
The empire needed more
From Aremonica to Carnutia
Plagued and war-ridden land

Wars inflicted on free Gallia (Gallia)
An organized downfall (an organized downfall)
A black cloud of imperial (imperial)
Rapacity unleashed (whoa)

(Havoc)
To think of yesterday
(Ruin)
Our dormant minds
Were not prepared for this

Imperial needs are met
At bloody cost of free tribes
Invasion, raid, and war atrocity
In the name of S.P.Q.R., ah

(Havoc)
To think of yesterday
(Ruin)
A mass illusion
How could it come this far?

(Hey)
