Immi daga uimpi geneta
Iana beddos et' iouintutos
Blatus ceti, cantla carami
Menuan ambi caron soueti
Mimi, sedumi in disounile
Iana oinicilas in cridile
Ate-, iege, -rigasisi?
To- moi dera -bibrasisis?

Nu noxs todiqueuode
Nu papos samos d'elleloge
Tauila inter tegisa,
Dirobata tenisa
Mimi, sedumi in disounile
Iana oinicilas in cridile
Menuan ambi caron soueti
Samito-ne urit- me -piseti?

Nu etnoi penna roceltont,

Uo atanobi ro- sa -celtont
Cauannos ardu gariti.
Critus ougros me gabiti
Auelos in dolias sueteti
No moi suetlon de tu bereti
Ate-, iege, -rigasisi?
To- moi dera -bibrasisis?

Papon in samile, papon in tauile
All is quiet, all is silent
Auelos sueteti uor magisi
The wind is wailing on the field
Dera ougra loucint in nemisi
Unnamed stars blister cold on the canopy

Dallos immi dacroun
