Voice of Fall: Damnagoras  
Summerplunge: Pauline Tacey  
Spirit of Spring: Laura de Luca  
Wintersoul: Jarpen

F:  
We're going to tell the tale of tale  
Su:  
Are you sure? Or a little story of fancy  
F:  
Seamen W: Dreamen F: Listen all!  
W & Sp:  
The Fall begins his speech

F:  
So I bring rest upon the earth  
Sp:  
With my seed, wealdcover all thy hearthstones  
W:  
Soothing Su: Trimming W: Hum to sleep!  
F & Su:  
The ornaments of woodnotes!

Su:  
(Night surrounds, we're roaming through the  
shades of forgotten fairytales)  
Sp:  
Can you hear the rhymes of winds?  
F:  
The chant of leaves that fall?  
W:  
No, no don't let me fall! F: Be quiet you!  
F & Sp:  
The renaissance of the seals

I rest...

Bridge:  
I rest upon the riverbank, worshipper of my thrills  
The crackling of the dead leaves counts the steps  
  
that lead me to the sea

Chorus:

Listen to this rigmarole, wake up and follow  
Undertone, along with me, it's just a hint murmuring  
sigh  
Hushing the plains for miles it comes from nowhere  
I'm aware of my communion, I'll dance from nightfall  
an' evermore

Su:

Look, winter's cloak is numbing all

F:

Don't be a fool, you're doing it out of spite!

Sp:

(You're unfair!)

W:

Whiten, now all is white

Su:

But soon you'll pass away

Twitch and twirl, the Wintersoul whirled past us in  
silence

like a passing whim so...

Woke, reborn, a seed to be swallowed by the soil  
caressed

in morning's light veils

Twitch and twirl, the Wintersoul has passed dimensions  
so

Cruel, reborn, no more forlorn...dimensions so cruel

Bridge:

I rest upon the riverbank, worshipper of my thrills  
The crackling of the dead leaves counts the steps

that lead me to the sea

Chorus:

Listen to this rigmarole, wake up and follow  
Undertone, along with me, it's just a hint murmuring  
sigh  
Hushing the plains for miles it comes from nowhere  
I'm aware of my communion, I'll dance from nightfall  
an' evermore

Solo: Aydan

A piece of a dream, the feel of being part within!

Dream up your own temptation

A piece of a dream, the feel of being part of it!

Build up your own temptation for me!

Solos: Jarpen, Aydan

Cherished and mantled by the open sea  
The waves, ebbs and flows are now singing with me  
And soundless the sky frays over the land  
While a million stars, watch over all men [x2]

While a million stars, watch over all men through the  
lands

Chorus (x2)

Night surrounds, we're roaming through the shades

of forgotten fairytales  
We have told the tale of tales  
I will rest upon the earth  
The Wintersoul will pass away
