Boy, it sure is a nice day today.
I believe Iâ€™ll go back out in the garden
and dig me up some worms...
and go fishin'!

Alright, I got me a nice little spot picked out down there
on the crick.
Boy, them perch is bitin' like crazy. Yessir. Powerful.

I'm goin' fish-fish, fish-fish, fish-fish, fishin'.
I'm goin' fishin', hook, sinker, an' line.
I said, fish-fish, fish-fish, fish-fish, fishin'....
Boy, Iâ€™m a-goin' fishin' just to ease my mind.

Ya know, some folks say that fishin' on a Sunday's a
sin.
I don't believe in that though...
If a fish bite my line on a Sunday, I'm gonna reel 'im on
in. (haha)
I Believe I'll take 'em on home, fry 'em up good an'
have a ball....
â€™Cause I don't see nothin wrong with fishin' on
Sunday at all. (haha)

I'm goin' fish-fish, fish-fish, fish-fish, fishin'.
Boy, I'm goin' fishin', hook, sinker, an' line.
I said, fish-fish, fish-fish, fish-fish, fishin'. (hahaha)
Yes, Iâ€™m a-goin' fishin' just to ease my mind.

Alright! ~Instrumental Interlude~

Iâ€™ll take my pole and my jug, down to the river,
Gonna sit up on the bank,
Every time the fish starts to nibble,
Iâ€™m gonna take me another drink.

I'm goin' fish-fish, fish-fish, fish-fish, fishin'.
Yes, I'm goin' fishin', hook, sinker, an' line. Woo!
I said, fish-fish, fish-fish, fish-fish, fishin'. (hahaha)
Yes Lord, Iâ€™m goin' fishin' just to ease my mind.

Now see there, look at this big ol' string of fish.

Olâ' Charlie Â'n them tried to tell me I wouldn't catch
nothin'Â'
Look at the catfish on the end. Woo! He's a big one.

I'm gonna get the whole neighborhood over here
And fry these up, sit Â'n have a good olâ' fish fry,
yessir.
Ooh, it's startin' to smell good already. Yessir.

Hey, bust out a couple bottles a ketchup,
salt'n pepper,
A couple a loaves of bread, an'
We'll just have a time here tonight. Yessir.

Get that old boy next door
To come play his fiddle for us...
Send ol Charlie Daniels out for a
Couple bottles of Corn Liquor, will ya...
Aww, here he comes back with it...
Eh, hand me a tall glass, darlin',
And about two more a those fish sandwiches...
{Fading off} Woo, this sure is good...
I aint had this much fun,
in about a hundred years...
