My dog don't chase chickens
My dog don't chase cats
My dog don't chase women
Aw, thanks a lot for that

(Release)
Talkin' 'bout my dog
He's a good ole dog
When you're drunk and stoned
My dog will show you the way home
My dog

When that sun come pourin' down
My dog lyin' in the shade
My dog don't have to work at all
He's got it made

Lead

My dog knows how to hunt
Runs me down some 'coons
My dog stays up late at night
Howlin' at the moon

He's my dog
He's a good ole dog
I don't care what you say
My dog won't get in your way
He's my dog

My dog don't gimme no lip
No money does he spend
My dog's name is just My Dog
He's a man's best friend
