Baby please, baby please, come back to me
Baby please, baby please, come back to me
'Cause you know I'm your prisoner
I need your love to set me free

I woke up early one mornin'
Before the night was gone
I looked in the bed next to me
And guess what? I was all alone, cryin'

Baby please, baby please, come back to me
Come back to me
'Cause you know I'm your prisoner
And I, I need your love to set me free

Well, I don't see well and I'm absent minded
I hardly sleep at all
This woman has put me on a habit
Of nicotine and alcohol

Baby please, baby please come back to me
'Cause you know I'm your prisoner
And I need your love to set me free
