Baby, spend some time with me tonight
Baby, wrap your arms around me tight
Baby, spend some time with me tonight
I believe everything would turn out alright

Baby, spend some time with me tonight
Baby, wrap your arms around me tight
Baby, spend some time with me tonight
Please stay until the mornings light

Oh, my, did I, takes so long
To make up my mind
Now I know I want you to
Be with me all the time

Want you to spend some time with me
Oh, baby, spend some time with me
Spend some time

Baby, spend some time with me tonight
Baby, wrap your arms around me tight
Baby, spend some time with me tonight
I believe everything would turn out alright

If you just spend some time with me
Yeah, spend some time with me
Spend some time, baby
Spend some time with me
Spend some time with me

Spend some time, baby
I said, spend some time with me
Spend, yeah, yeah
Spend some time with me

Baby, baby, baby, baby, baby
Spend some time with me
Spend some time with me...
