Oh, here she comes now.

And she looks so...so...

HORRIBLE!

(scream)

Here comes the bride!

Here comes the bride!

Here comes the bride!

Here comes the bride!

She came waltzin' down the isle,

in a dress so torn and vile.

The man of her dreams was a nightmare too!

As she gave a shriek and a gastly smile.

(The Bride of Frankenstein)

Who we talkin' bout goul's?

(The Bride of Frankenstein)

The preacher said, "Speak up now, or forever hold your peace."

Well, Dr. Frank opened the latch and held up a piece

Your's Cruelly came in basic black,  
with gift-wrapped witches curses.

The wolves and hounds bayed merrily  
as the guest arrived in hearses!!

(The Bride of Frankenstein)

Who we talkin' bout goul's?

(The Bride of Frankenstein)

A delightful chill to the awful swamp  
periced us to the heart.

The bride broke down in tears of joy.

Well umm...actually she...fell apart.

Sewn together for a wedding,

who's that gal that we're all dreading?

She's so pretty...green and pale.

Who's that nightmare in the veil?!
