We're gonna drink enough tonight to drown the  
average army  
By New Year's Day the next door neighbour will be goin'  
barmy  
The milkman arrives at midday with his usual wisecrack  
Who knows a girl with Wednesday legs so when's they  
gonna snap?

[Chorus:]

Why does everybody have to be so hale and hearty  
Can't they see we're tryin' to have a party party party  
party

The last thing I remember I was talkin' to some fellas  
Then she said she'd have a word for me with her good-  
looking mate  
And handed me a pint-pot filled with Advocaat and  
Tizer  
And I woke in the flowerbeds of fear (beer?) and  
fertilizer

[Chorus]

So shift yourself and shake your bod  
You got bullet proof insurance from fire, flood and Act  
of God  
You got to learn from your mistakes  
When you got a face like last week's Cornflakes

The doors and the window frames are by Pablo Picasso  
The party decorations owned by Michelangelo  
The fine music that you hear is by Stravinsky  
With overall design by Leonardo daVinci

[Chorus]

So shift yourself and shake your bod  
You got bullet proof insurance from fire, flood and Act  
of God  
You got to learn from your mistakes  
When you got a face like last week's Cornflakes

Two boys are upstairs in your bed  
Three girls are downstairs crying  
The Alka Seltzer in the glass is roaring like a lion  
You think you've aged ten years tonight and still never  
been kissed  
So you overdose on aftershave and try to slash your  
wrist

[Chorus and fade]
