I found America had another corner of my wallet  
It's a well kept secret, thought that I had better swallow  
it  
Thought they'd make me spit out the truth  
Before they find you're lyin' about your youth

B movie that's all you're to me  
Just a soft-soap story, don't want no woman to act on  
me  
You can't stand it when it goes to reel to reel, to reel to  
reel  
You can't stand it when I throw punch lines, you can't  
feel

All the time there's rule book in pretending  
There's no one in the wings  
And everybody's on the make  
It's not your heart I want to break

Turn out the lights I'm thinking that I want to go to sleep  
now  
But just give me a promise that I'm supposed to keep  
now  
I don't want some fool asking me why  
When I find you're finally making me cry

B movie that's all you're to me  
Just a soft-soap story, don't want no woman to act on  
me  
You can't stand it when it goes to reel to reel, to reel to  
reel  
You can't stand it when I throw punch lines, you can't  
feel

You can't feel  
You can't feel  
You can't feel  
You can't feel

You can't feel  
You can't feel
