It's not the way you look that touched my heart  
It's not the way you kissed me, baby, that tears me  
apart, oh oh  
Many, many nights I tried, I sit alone at home and I  
cried over you  
What can I do? I can't help myself, 'cause, baby, it's  
you

You should hear the things that they say about you  
They say, you're never, ever, ever, ever, ever gonna be  
true, oh  
And I don't listen to a word they say, I'm gonna love  
you any old way  
What can I do? It's true, can't help myself, 'cause,  
baby, it's you  
Baby, it's you

And I don't listen to a word they say, I'm gonna love  
you any old way  
What can I do? It's true, can't help myself, 'cause baby,  
it's you  
Baby, it's you, baby, it's you, baby, it's you
