Payday's coming and we wash it away  
Clean money, clean money  
Payday's coming and we wash it away  
Clean money, clean money  
That's what I want to do  
I want to spend it on you

Checking on a checkmate  
Classing out a classmate  
So beautiful and fortunate  
He hates to love, you love to hate

He can fix you for good  
'Cause he is the neighborhood  
You can't get money for blood  
Blood money for doing no good  
But they won't take my love for tender

Payday's coming and we wash it away  
Clean money, clean money  
Payday's coming and we wash it away  
Clean money, clean money  
That's what I want to do  
I want to spend it on you

Have you made your selection ?  
Are you ready for correction ?  
'Cause the wages of sin  
Are an expensive infection

And it's under the counter  
Under the Geiger counter  
Who stole your thunder ?  
But they won't take my love for tender
