Elvis Costello
"Cry, Cry, Cry"

Everybody knows where you go when the sun goes
down
They say you only live to see the lights of town
I wasted my time when I would try, try, try
'Cause when the lights have lost their glow, you'll cry,
cry, cry

Soon your sugar daddies will all be gone
And you'll wake up some cold day and find you're
alone
You'll come to me but I'm gonna tell you bye, bye, bye
When I turn around and walk away, you'll cry, cry, cry

You're gonna cry, cry, cry and you'll cry alone
When everyone's forgotten and you're on your own
You're gonna cry, cry, cry

I lie awake at night and wait till you come in
You stay a little while and then you're gone again
Every question that I ask, I get a lie, lie, lie
For every lie you tell, you're gonna cry, cry, cry

When your fickle little love gets old, no one will care for
you
You'll come back to me for a little love that's true
I'll tell you no and you're gonna ask me why, why, why
When I remind you of all of this, you'll cry, cry, cry

You're gonna cry, cry, cry and you'll want me there
It'll hurt when you think of the fool you've been
You're gonna cry, cry, cry
