At the dark end of the street  
That's where we'll always meet  
Hiding in the shadows where we don't belong  
Standing in the darkness to hide our wrong  
You and me, at the dark end of the street  
You and me

I know the time's gonna take it's toll  
We goin' to pay for the love that we stole  
Though it's a sin and we know it's wrong  
Still our love keeps coming on strong  
You and me, at the dark end of the street  
You and me

They're going to find us  
They're going to find us  
They're going to find us, I know one day  
We'll steal away to the dark end of the street

I know the time's gonna take it's toll  
We goin' to pay for the love that we stole  
Though it's a sin and we know it's wrong
