Don't cry
Oh honey, please, don't be that way
Clouds in the sky
Should never make you feel that way

And the rain
Will bring the violets of May
Tears are in vain
So honey, please, don't be that way

Long as we
See it through
You'll have me
And I'll have you

Sweetheart
Tomorrow is another day
Don't break my heart
Oh honey, please, don't be that way

Long as we
See it through
You'll have me
And I'll have you

Sweetheart
Tomorrow is another day
Don't you break my heart
Oh honey, please, don't be that way

Honey, don't be that way, stop it
