Hey everybody, I'm a talking to you
I ain't telling you jealous, it's just the natural truth

Oh, oh, oh, I got the Eisenhower Blues
Thinking about me and you and what on earth are we
gonna do?

My money's gone, the fun is gone
The way things look I can't be here long

Oh, oh, oh, I got the Eisenhower Blues
Thinking about me and you and what on earth are we
gonna do?

Taking all my money to pay the tax
I'm telling you people the natural facts
I'm telling you people in my belief
I am headed straight on relief

Oh, I got the Eisenhower Blues
Thinking about me and you and what on earth are we
gonna do?

I ain't got a dime, ain't got a cent
Ain't got no money to pay my rent
She wants some clothes, she wants some shoes
I'm telling you people I don't know what to do

Oh, I got the Eisenhower Blues
Talking about me and you and what on earth are we
gonna do?

Taking all my money to pay the tax
I'm telling you people the natural facts
I'm telling you people, in my belief
I am headed straight on relief

Oh, I got the Eisenhower Blues
Thinking about me and you and what on earth are we
gonna do?

Oh, Eisenhower Blues I got the Eisenhower Blues

Talking about me and you and what the hell are we
gonna do?
