What is this shocking teenager madness
It's this week's stunning new sensation
Well groomed young men in matching tracksuits
Well groomed young men pretend to care so that they
can

Sing
This
Chorus

These fine young men do it with feeling
Not some production line assembly
Of all the things you mind less threatening

Well groomed young men pretend to care so that they
can

Sing
This
Chorus

Genre Casting Agency
Demograph
Market Share

Cast a young girl's fantasy percentage
Asset risk
